Welcome to Tails & Tales for Adults,  
The 2021 summer reading program from  
Fauquier Public Library.

Every creature has a tale to tell, especially those with tails! So go ahead, cozy up with a furry friend, read an epic story of man vs. beast, or immerse yourself in a land of fantastical creatures. Cross off the three activities you complete on your game card and be entered to win a prize at the end of the program. Complete a game card every week for more chances to win.

Here’s how to play:

- Pick up a new game card each week.
- Complete three activities from the card and cross them off.

Return your completed game card to the library.
