Welcome to Tails & Tales for Teens,
The 2021 summer reading program from Fauquier Public Library.

Every creature has a tale to tell, especially those with tails! So go ahead, cozy up with a furry friend, read an epic story of man vs. beast, or immerse yourself in a land of fantastical creatures. Cross off the three activities you complete on your game card and be entered to win a prize at the end of the program. Complete a game card every week for more chances to win.

Here's how to play:

Pick up a new game card each week.
Complete three activities from the card and cross them off.

Return your completed game card to the library.

Pick up a new card and play again.
Only one card per week please.

The last day to turn in game cards is
Saturday, July 31.
